## General

- You retain full ownership of any and all media submitted to us.
- You grant us Ore Stone Music Ltd permission royalty free to play/use this media.
- You can revoke this permission at any time.

## Detail

**Ore Stone Radio claims no ownership interest in any of the Content (including, without limitation, master recordings, artwork and photographs) submitted by you on the Ore Stone Radio website and the copyright to all such Content shall remain with its original owner/creator.**

By submitting your Music and signing this contract you certify that you are conforming to standard content laws and copyright information (you must own the music you're submitting), and you're not a minor. This agreement grants Ore Stone Radio (Ore Stone Music Ltd) royalty free, limited license to use, modify, delete from, add to, publicly perform, publicly display, reproduce, and distribute such Content solely on, through or in connection with the Ore Stone Radio Services, including, without limitation, through applications, widgets, websites or mobile, desktop or other services which are linked with Ore Stone Radio, including, without limitation, distributing part or all of the Ore Stone Radio Services/Broadcasts and any Content included therein on a non-exclusive basis in any way we see fit (as part of a site advertising campaign or marketing promotion, for example). **It's your music, and we respect your ownership of it.**

If we're playing your music and for some reason you wish us to stop playing your music and remove you from the website just let us know. We will remove you from our playlist as soon as possible.

At all times **you shall retain full ownership of the Media** while granting to Ore Stone Music Ltd the following non-exclusive royalty free rights: By accepting this agreement and/or submitting any Media, you are guaranteeing to Ore Stone Music Ltd that you are of legal age to enter into contracts (you're not a minor) and have all rights, approvals and/or consents necessary to submit the Media on the terms provided herein. You also guarantee that no permission is required from any other individual or company for us to use the Media and other rights provided herein. You further guarantee to Ore Stone Music Ltd that the compositions, recordings, lyrics and other Medias contained in the Media are original, created only by you and do not contain any "samples" or excerpts from the Media of others and do not otherwise infringe on the rights of any other individuals (if not you will need other contributors signatures on this document) or companies.

## Important
